## About Universal Health Services

Founded in 1979 by Executive Chairman Alan B. Miller, Universal Health Services (NYSE: UHS) is one of the largest [and most respected](#) providers of hospital and healthcare services in the U.S. and the United Kingdom. Under the leadership of President and CEO Marc D. Miller, UHS continues to be a pioneer and leader in the industry. We attribute our longevity and success to an unwavering commitment to putting patients first [in all the communities](#) we are proud to call home.

UHS and its affiliates provide superior quality care across 400 acute care hospitals, behavioral health facilities, outpatient facilities and ambulatory care access points across the U.S., Puerto Rico and the United Kingdom. UHS strives to be a provider and employer of choice and we are committed to continually enhancing our programs and service offerings to meet the needs of patients, staff and partners. To this end, UHS consistently invests (including \$2.3 billion in the past three years) in facility and technology upgrades to drive innovation, improve safety and optimize the patient experience.

We also provide billions of dollars annually in uncompensated/charity care to Acute Care patients, while also supporting and volunteering time with countless leading philanthropic organizations nationally and locally.

## **UHS Clinical Quality Reputation, Accomplishments and Awards:**

We have a longstanding, independently validated and evidence-based record of providing quality healthcare services to patients and their families:

- All UHS hospitals are fully accredited by independent organizations including The Joint Commission (TJC) and/or Commission on Accreditation of Rehabilitation Facilities (CARF), whose rigorous clinical assessment protocols are widely respected throughout the healthcare industry. Many facilities also hold advanced specialty accreditations.

### ***Behavioral Health Division***

- UHS BH facilities continue to routinely exceed the national average in TJC's Hospital-Based Inpatient Psychiatric Services (HBIPS) scores while also receiving other laudable distinctions.
- All UHS BH hospitals participate in CMS' Inpatient Psychiatric Facility Quality Reporting Program (IPFQR) used by over 1,500 BH hospitals across the U.S. to measure a broad set of evidence-based clinical practices linked to positive patient outcomes and are published on CMS' Hospital Compare web site. **UHS BH hospitals' aggregated results regularly exceed national averages and the scores of its major BH multi-facility competitors.**
- In 2021, approximately 360,000 UHS BH patients completed anonymous patient satisfaction surveys. On a five-point scale (1 being low and 5 being high), **UHS patients rated their overall satisfaction during this period at 4.4, with 91% indicating that they felt better after care<sup>1</sup>.**
- In 2021, 170 UHS Behavioral Health facilities with 888 distinct treatment programs captured evidence-based clinical outcomes measures for nearly 310,000 patients. UHS continues to dramatically expand use of these tools to benchmark performance and enhance our patients' quality of life. **We are pleased that UHS can demonstrate that of patients measured, approximately 77% exhibited statistically meaningful improvement using patient self-report rating scales<sup>1</sup>.**
- We measure loyalty using the question, *"How likely would you be to recommend this facility to a friend or family member?"* In 2021, the UHS Behavioral Health Division's Net Promoter Score was 37.1, which represents the **percentage** of promoters minus the **percentage** of detractors. This score is considered very good by industry standards<sup>1</sup>.
- **Arrowhead Behavioral Health (OH), Black Bear Treatment Center (GA), Calvary Healing Center (AZ), La Amistad (FL), Summit Oaks Hospital (NJ), Talbott Recovery Dunwoody (GA), University Behavioral Center (FL), and Wekiva Springs Center (FL)** earned Blue Cross Blue Shield's Blue Distinction® Center for Substance Use Treatment and Recovery in 2021 or 2022.
- **PRIDE Institute (MN), Stonington Institute (CT), Talbott Recovery Center and The Ridge Behavioral Health (KY)** among Newsweek/Statista's Best Addiction Treatment Centers 2022 list.
- **Hill Crest Behavioral Health's Higdon Hill School named a Cognia School of Distinction in 2022.**
- **TMC Behavioral Health Center (Texas)** earned Cigna Center of Excellence designation for Adult Mental Health in 2021. The program evaluates patient outcomes and cost data for network-participating providers.
- **Cygnnet Health Care** facilities consistently maintain our high standards across the portfolio; 82% are rated Good or Outstanding by U.K. regulators.
- **Cygnnet Meadows Mews and Cygnnet Heathers** gained Approved Provider accreditation with Headway, the Brain Injury Association.
