

Fact Sheet

About Universal Health Services, Inc.

Founded in 1979 by Executive Chairman Alan B. Miller, Universal Health Services, Inc. (NYSE: UHS) is one of the largest [and most respected](#) providers of hospital and healthcare services in the U.S. and the United Kingdom. Under the leadership of President and CEO Marc D. Miller, UHS continues to be a pioneer and leader in the industry. We attribute our longevity and success to an unwavering commitment to putting patients first [in all the communities](#) we are proud to call home.

UHS and its affiliates provide superior quality care across more than 400 acute care hospitals, behavioral health facilities, outpatient facilities and ambulatory care access points across the U.S., Puerto Rico and the United Kingdom. UHS strives to be a provider and employer of choice and we are committed to continually enhancing our programs and service offerings to meet the needs of patients, staff and partners. To this end, UHS consistently invests (including more than \$2.3 billion in the past three years) in facility and technology upgrades to drive innovation, improve safety and optimize the patient experience.

We also provide billions of dollars annually in uncompensated/charity care to Acute Care patients, while also supporting and volunteering time with countless leading philanthropic organizations nationally and locally.

Through its Subsidiaries, UHS Owns and Operates:

- 27 Inpatient Acute Care Hospitals
- 27 Freestanding Emergency Departments
- 10 Acute Care Outpatient Centers and 1 Surgical Hospital
- 333 Inpatient Behavioral Health Facilities
- 10 Outpatient Behavioral Health Facilities

2023 Patients Treated:

- Approximately 3.6 million

Employees:

- Approximately 96,700 people

2023 Revenues:

- \$14.3 billion

Our Mission:

To provide superior quality healthcare services that:
PATIENTS recommend to family and friends,
PHYSICIANS prefer for their patients,
PURCHASERS select for their clients,
EMPLOYEES are proud of, and
INVESTORS seek for long-term returns.

Our Principles:

We provide superior quality patient care.
We value each member of our team and all their good work.
We are committed to being a highly ethical healthcare provider.
We are devoted to serving our local community.

UHS Clinical Quality Reputation, Accomplishments and Awards:

We have a longstanding, independently validated and evidence-based record of providing quality healthcare services to patients and their families:

- All UHS hospitals are fully accredited by independent organizations, including The Joint Commission (TJC) and/or Commission on Accreditation of Rehabilitation Facilities (CARF), whose rigorous clinical assessment protocols are widely respected throughout the healthcare industry. Many facilities also hold advanced specialty accreditations.

Behavioral Health Division

- UHS BH facilities continue to routinely exceed the national average in TJC's Hospital-Based Inpatient Psychiatric Services (HBIPS) scores while also receiving other laudable distinctions.
- All UHS BH Medicare hospitals participate in CMS' Inpatient Psychiatric Facility Quality Reporting Program (IPFQR) used by over 1,500 BH hospitals across the U.S. to measure a broad set of evidence-based clinical practices linked to positive patient outcomes and are published on CMS' Hospital Compare web site. **UHS BH hospitals' aggregated results regularly exceed national averages for the majority of metrics evaluated.**
- In 2023, more than 378,500 UHS BH patients completed anonymous patient satisfaction surveys. On a five-point scale (1 being low and 5 being high), **UHS patients rated their overall satisfaction during this period at 4.4, with 91% indicating that they felt better after care¹.**
- In 2023, 172 UHS Behavioral Health facilities with 968 distinct treatment programs captured severity rating scales for more than 425,700 patients. UHS continues to expand its use of these tools to benchmark performance and enhance our patients' quality of life. **Overall, 83% of our participating patients experience statistically meaningful improvement on patient and informant symptom rating scales¹.**
- We measure loyalty using the question, "How likely would you be to recommend this facility to a friend or family member?" In 2023, the UHS Behavioral Health Division's Net Promoter Score was 40, which represents the **percentage** of promoters minus the **percentage** of detractors. This score is considered very good/great by industry standards.
- **Black Bear Lodge (GA), PRIDE Institute (MN), Skywood Recovery (MI), Talbott Recovery (GA) and The Ridge Behavioral Health System (KY)** were on Newsweek/Statista's America's Best Addiction Treatment Centers 2024 list.
- **Arrowhead Behavioral Health (OH), Black Bear Lodge (GA), Calvary Healing Center (AZ), La Amistad Behavioral Health Services (FL), Popular Springs Hospital (VA), Summit Oaks Hospital (NJ), Talbott Recovery (GA), Talbott Recovery Dunwoody (GA), University Behavioral Center (FL) and Wekiva Springs Center (FL)** earned Blue Cross Blue Shield's Blue Distinction® Center for Substance Use Treatment and Recovery.
- **Hill Crest Behavioral Health's Higdon Hill School** named a Cognia School of Distinction in 2022.
- **Cygnnet** facilities consistently maintain our high standards across the portfolio; 83% of services evaluated are rated Good or Outstanding by U.K. regulators.
- 100% of inpatient schools in **Cygnnet's** Child and Adolescent Mental Health Services rated "Good" by the Office for Standards in Education, Children's Services and Skills.

¹ UHS' Our Impact in 2023 - By the Numbers
